

La Habra City Little League Parent Responsibilities

- Please make sure your child is on time to games and practices. If you will be late or will not be able to attend, please contact the Manager, Coach, or Team Parent in advance.
- ***Each family is obligated to work a shift in the snack shack per child on a team or pay in cash \$15.00 per hour with an additional \$25.00 no-show penalty. This penalty is in effect regardless of the reason for the no-show.*** This money is to be paid in cash prior to the team's scheduled date to the team parent. Please ask your team parent when your team is scheduled. Participation or snack shack buy out will be required before the player may continue to play.
- League fundraiser participation is mandatory unless you choose to pay the buy-out fee of \$75.00. Full participation or a buy-out will be required before the player may continue to play.
- Please follow the chain of command, and contact your Division Director, if you have a question or problem.
- Please remember that all our team parents, score keepers, coaches, managers, division directors, and board members are volunteers. They have graciously donated their time and effort to provide this experience for your players. Please be encouraging, supportive, and treat them with respect. This will make the Little League experience a positive one for everyone.
- Please remember (and remind any of your guests) that all school areas are smoke-free and there is to be no smoking at any school fields (practices or games).
- No dogs / animals are permitted at the parks or school fields at games or practices.
- Keep the schools and parks clean and free of trash by picking up any litter on the ground under the stands and in the dugout after every practice / game. Please make sure that all sunflower seed shells and peanut shells are stored in a cup or bag. There are seed / shell cups available in the snack shack on game days.
